

Diploma Counselling (Previously known as Diploma in Islamic Counselling)

PROGRAMME BACKGROUND
Diploma Counselling is an education programme that focus on knowledge and skills in counselling. This course is taught in Malay and English with a cumulative of 90 credit hours, in the forms of tutorial, practical and field work. This programme aims to produce graduates that excel in fundamentals and skills of conventional counselling. These should help them on a semi-professional level and concurrently attain the social responsibility and mission when preaching Islam. This Diploma Programme at USAS helps students to harness their true potential and remain effective towards the goal of a bright career path. USAS is a great place for quality education with an updated curriculum that is recognised and fulfils the requirements and progress of the current societal demands. Besides, this programme focuses that graduates are proficient and competent in practicing the discipline of counselling while performing duties in various career sector. This course also trains human capital to be experienced and skilled in development management through the approach of counselling. Graduates from our institution will always be ready to help and contribute towards social responsibility to society.
