

## **Dato' Haji Mubarak Ali bin Gulam Rasul**

Dato' Haji Mubarak Ali bin Gulam Rasul is the Chief Executive Officer of Lumut Maritime Terminal Sdn Bhd (LumutPort). With a distinguished career spanning over three decades, he possesses experience in the logistics industry across air, sea, and land transportation.

Dato' Haji Mubarak Ali has held senior leadership roles in prominent organizations, showcasing his versatility and expertise. He served as the Director of Special Projects at National Air Cargo Middle East and as Director at Abel (M) Sdn Bhd. His experience also includes roles such as Senior Vice President of Business Development at Konsortium Logistik Berhad and General Manager Commercial at Spanco Sdn Bhd. Additionally, he was a Senior Manager at Alam Flora Sdn Bhd, Resources Management Manager at Malaysia Airlines, and Operations Manager at United Parcel Service. These diverse roles have equipped him with a broad skill set and a deep understanding of logistics, operations, and business development.

Since assuming the helm of LumutPort in 2015, Dato' Haji Mubarak Ali has overseen significant expansion and operational enhancements. His leadership has resulted in increased cargo handling capacity, improved infrastructure, and the attainment of industry-recognized certifications. Under his stewardship, LumutPort has established a strong reputation for operational excellence and corporate social responsibility.

Dato' Haji Mubarak Ali's contributions to the logistics industry are commendable. His visionary leadership and commitment to innovation have positioned LumutPort as a leading maritime terminal in Perak state.
